INITIAL GRANT OF DEFERRED ACTION:

The Service has decided to place this case under deferred action, which is an administrative choice to give some cases lower priority for removal. Therefore, the Service does not anticipate instituting action for removal at this time.

Deferred action will remain in effect for a period of 15 months from the date of this notice or unless terminated earlier by the Service for reasonable cause and upon appropriate notice.

Pursuant to 8 CFR Sec274a.12(c) (14), an alien who is under deferred action is eligible to submit an application for employment authorization, if the alien establishes an economic necessity for employment. This application, on Form I-765, should be filed with this office. The alien must provide information regarding his or her assets, income and expenses in accordance with the instructions on the Form I-765.

In order to extend your Deferred Action status, you must do one (1) of the following:

1. File Form I-765 for Employment Authorization, pursuant to 8 CFR Sec274a.12(c) (14) **WITH THIS OFFICE**. If you still qualify, Deferred Action will be extended at the time your application for employment is approved.
2. Request in writing for an extension of Deferred Action.

If you are represented by an attorney, all further correspondence should be accompanied by Form G-28.

This form does not constitute employment authorization nor may it be used in place of an Employment Authorization Document.

You will be notified separately about any other applications or petitions you filed. Save this notice. Please enclose a copy of it if you write to us about this case, or if you file another application based on this decision. Our address is:
